Comments:

1. He was a great TA.
2. He's the best TA for all my economics classes I have ever had.
3. Very helpful and was able to clarify confusing concepts by presenting the info in multiple ways.
4. Andrew was very thorough/clear in sections
5. N/A
6. Andrew Chamberlain is the best TA I've ever had. He explains everything so clearly and clears up anything I didn't understand from lecture. The reason I got A's on both my midterms is because of his discussions.
7. very good TA; he's been really helpful and I learned a lot.
8. The best TA I have ever had. He explains course material in a clear and organized way.

9. He's very helpful and organized.
10. His sections seem dull and boring, but when you pay attention, he prepares you well!
11. Andrew made learning Econ 1 very easy. Thanks!
12. I learned the most in his class. He was very helpful and he is very friendly and easy to talk to.
13. He has a gift for relaying information simply. I never had to read the textbook because of him.
14. Had good structure of discussion, with a small review of what to know at the start of class and how to apply them on the section questions.
15. He was very prepared, knowledgeable, and great at explaining.
